## Zomedica Pharmaceuticals Corp. Announces Pricing of \$3 Million Underwritten Public Offering of Common Shares

March 26, 2019

ANN ARBOR, Mich., March 26, 2019 (GLOBE NEWSWIRE) -- Zomedica Pharmaceuticals Corp. (NYSE American: ZOM) (TSX-V: ZOM) ("Zomedica" or the "Company"), a veterinary diagnostic and pharmaceutical company, today announced the pricing of its previously announced underwritten public offering of 6,521,740 common shares, at a price to the public of \$0.46 per share. The Company expects to receive gross proceeds of approximately \$3 million from the offering. The offering is expected to close on or about March 28, 2019, subject to customary closing conditions.

H.C. Wainwright & Co. is acting as sole book-running manager for the offering.

The Company has granted the underwriters a 30-day option to purchase up to an additional 978,261 common shares at the public offering price, less underwriting discounts and commissions.

The Company intends to use the net proceeds from the offering for the continued development of its diagnostic platform and therapeutic candidates, including making milestone payments, as they come due, under the Company's existing license and collaboration agreements, and other general corporate and working capital purposes.

The shares described above are being offered pursuant to a shelf registration statement on Form S-3 (File No. 333-228926), which was declared effective by the Securities and Exchange Commission ("SEC") on January 30, 2019. A preliminary prospectus supplement and an accompanying prospectus relating to the offering has been filed with the SEC and is available on the SEC's website at [www.sec.gov](http://www.sec.gov). Copies of the final prospectus supplement and the accompanying prospectus relating to the offering may be obtained, when available, from H.C. Wainwright & Co., LLC, 430 Park Avenue, 3rd Floor, New York, NY 10022, or by calling (646) 975-6996 or by emailing [placements@hcwco.com](mailto:placements@hcwco.com) or at the SEC's website at <http://www.sec.gov>.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the Company's securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

### About Zomedica

Based in Ann Arbor, Michigan, Zomedica (NYSE American: ZOM) (TSX-V: ZOM) is a veterinary diagnostic and pharmaceutical company creating products for companion animals (canine, feline and equine) by focusing on the unmet needs of clinical veterinarians. Zomedica's product portfolio will include novel diagnostics and innovative therapeutics that emphasize patient health and practice health. With a team that includes clinical veterinary professionals, it is Zomedica's mission to give veterinarians the opportunity to lower costs, increase productivity, and grow revenue while better serving the animals in their care.

### Forward-looking Statements

Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: market and other conditions, the satisfaction of customary closing conditions related to the offering described above, uncertainty as to whether our strategies and business plans will yield the expected benefits; uncertainty as to the timing and results of development work and pilot and pivotal studies, uncertainty as to the likelihood and timing of regulatory approvals, availability and cost of capital; the ability to identify and develop and achieve commercial success for new products and technologies; the level of expenditures necessary to maintain and improve the quality of products and services; changes in technology and changes in laws and regulations; our ability to secure and maintain strategic relationships; risks pertaining to permits and licensing, intellectual property infringement risks, risks relating to future clinical trials, regulatory approvals, safety and efficacy of our products, the use of our product, intellectual property protection and the other risk factors disclosed in our filings with the Securities and Exchange Commission. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.
